MEMORANDUM FOR: Chief, OTR/OS

25X1A9a

Attention: 

SUBJECT: September 1968 Running of the Soviet
Bloc Operations Course

SB Division expects to be undergoing some rather significant organizational changes during the coming weeks. It is expected that the timing of these changes will coincide with the running of the Soviet Bloc Operations Course scheduled for September 1968. It is anticipated that during the period of reorganization SB Division officers assisting in the course would not be able to devote the necessary attention to it required to insure a presentation of the quality achieved in the past. Accordingly, it is requested that the running of this course originally scheduled for September 16 to 27 be postponed to the period November 12 to 22 which we understand has already been reserved as a contingency date. This will still permit four runnings of the course per calendar year as originally planned. We would be most grateful for your cooperation in this matter and regret any inconvenience to your office which it may have caused.
